POPOVICI & ASOCIAȚII BUILDS ON LEADING ROLE WITH PROMOTION OF FLORIAN NIȚU

Popovici & Asociații has changed its name to Popovici Nițu & Asociații, by promoting Firm founder Florian Nițu to name partner. The name change became effective on September 19th, 2007.

Florian Nițu is heading the Firm's corporate practice group and will continue to serve as Managing Partner.

As part of the name change, the Firm has also redesigned and re-launched the website, now at www.pnpartners.ro

Popovici Nițu & Asociații is a leading Romanian independent law firm and has been at the forefront of the market since its incorporation in 1995. In 2007 the Firm has received the **Top ranked** distinction from Chambers and Partners and is being widely acknowledged as a first tier counsel in Corporate, Mergers & Acquisitions, Project Finance, Real Estate, Financial Service, and IT & Telecom by clients and peers.

We are a different organization today than we were at inception back in 1995, so adopting a new name and brand identity is a logical next step in our growth strategy.

He is seated at a dark desk, looking directly at the camera with a slight smile. His right hand holds a cigar, and his left hand rests on a black calculator. Several sheets of paper are on the desk in front of him. The background features a red leather office chair and a framed abstract painting on the wall. A solid red vertical bar is positioned to the left of the text.

Clearly, one could get in the Firm to virtually any position from associate to senior partner and even to name partner, if the real achievement is there.
